TENNIS: Wailea Tennis Club – 808 879 1958; 131 Wailea Ike Pl. 11 Courts including Pickle Ball

SNORKELING:

Always be aware of the surf and wind as the waves change depending on the time of year, go with a buddy & best if you go in the morning before the wind/waves pick up. Listed below are a few spots (check out Maui Revealed Book or get info from snorkel/dive shops).

- **In front of Ekahi's** beach access. Snorkeling is around the reef on the left (facing the water) with easy access to the ocean.
- **Ulua / Mokapu Beach** a 5-minute walk south in front of the Wailea Elua Village Condos. It is a popular dive instruction site.
- **Ahihi Cove** (+/- 5.3 miles south from the Shops at Wailea): Parking is in the lot south of the cove (you have to pay for parking so bring a credit card). Best snorkel entrance is from the right side as you face the water. Good reefs to the right and the left.
- **The Dumps** Just past Ahihi Cove and you use the same parking lot as noted above. Wear tennis shoes or diving booties down to the water as it is a bit of a walk (+/-5 minutes) to the water. Follow the path down to where you would need to go over a slight mound of lava. There is a small sandy entrance to the water. **THIS IS NOT A BEGINNER SNORKEL.**

BEACH WALKS/RUNS: As you approach the beach from the Ekahi Pavilion gate you can go to the right for a nice sandy beach walk (+/- 1-mile round trip) or left where you have both sand and path along the beach and in front of all of the hotels (+/- 3 miles round trip). Both ways are delightful.
